LESSON 4
PORTFOLIO ASSIGNMENT

Keep this portfolio assignment to submit in Lesson 7. Submit your portfolio to Independent Study according to the instructions in the Read Me First section of this course.

While you read or listen to current events for this lesson, complete five more bibliographies. Two of these entries must be about the environment and three must be about other world issues. Classify them as shown in the Let’s Check Your Mastery exercises: government, humanitarian endeavors, and environment. Then classify environmental articles by who is trying to solve them—science, government, or individuals.
